**G**enocide to end

**S**overeignty acknowledged

**T**reaty to be made

# **Genocide**

**Since 1770, when this country was colonised, there has been an undeclared war against the indigenous peoples.**

**During this war the crime of genocide has been and continues to be committed against the indigenous peoples.**

# What is Genocide?

In the UN 1951 Genocide Convention, genocide means any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group, as such:

**(a) Killing members of the group;**

**(b) Causing serious bodily or mental harm to members of the group;**

# **What is Genocide?**

- (c) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part;**
- (d) Imposing measures intended to prevent births within the group;**
- (e) Forcibly transferring children of the group to another group.**

# **Sovereignty**

**There needs to be an acknowledgement that the original inhabitants and custodians of the land are the different indigenous nations.**

***We demand that Parliament pass a Sovereignty Act, where under the white people's law it is recognised that the current institution of sovereignty was imposed and stolen from its original inhabitants.***

**This is linked to the need for a treaty between the non-indigenous and the indigenous.**

# **Treaty**

**Acknowledging that this is a long process, it is a necessary one where authentic steps are taken to resolve the issues regarding war, genocide and sovereignty. This could include the commitment of resources to demonstrate good faith.**

# **Stolenwealth Games**

**We are calling for the issues of the Black GST to be resolved before the Stolenwealth Games in Melbourne, 15-25 March 2006, and the Queen's visit (the responsible sovereign for this colony).**

# **Stolenwealth Convergence**

**If our demands are not met by March 2006,  
we will call for a Convergence during the  
Stolenwealth Games. If the demands are met,  
an Indigenous Gathering will proceed to  
discuss business in relation to the Treaty  
process.**
